MATERIAL HANDLING RATE SHEET

Advanced Exposition Services has been designated as the official drayage contractor with responsibility for the unloading, delivery, reloading and processing of all exhibitors' freight shipments.

Material Handling Rates

Rates include: Unloading crated freight (the warehouse cannot receive uncrated shipments); storing at warehouse for up to 30 days (any materials stored beyond 30 days will incur additional costs applied to your invoice); reloading onto trucks and delivery to the exhibit site; unloading freight and delivery to your booth; picking up, storing, and returning empty shipping containers; and reloading freight for return to your specified destination from exhibit site.

| | Crated, Boxed or Palletized Materials | Small Carton Charge |
|-------------------------------------|--|---|
| | Standard Rates | Standard Rates |
| Advanced Warehouse Receiving | ST Rate: \$74.00/cwt. Receive crated materials only at our warehouse 30 days prior to show | Small Cartons weighing less than 50 lbs each 1st carton received = \$35.00 Each Additional = \$15.00 |
| Direct to Show Site Shipping | ST Rate: \$74.00/cwt. Receive shipments at show site On move-in dates only. | Small Cartons weighing less than 50 lbs each 1st carton received = \$35.00 Each Additional = \$15.00 |

ALL SHIPMENTS MUST BE SENT PREPAID and all shipments must have a bill-of-lading (excluding small carton service) showing number of pieces, weight, and description of merchandise. Display freight should be on a separate bill-of-lading from machinery freight. Mixed shipments will be charged at the Display freight rate. Trucks without a bill-of-lading or documented weight will be directed to a public scale or estimated weights will prevail. Estimated weights will be binding by both parties.

Rates are based on incoming weight only. **All weights are rounded off to the next 100 lbs. (cwt).** Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor. Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. Advanced Exposition Services assumes no responsibility for removal of containers with old or empty labels or for valuables stored inside containers while containers are in storage.

Outbound shipping labels & bills-of-lading will be available at the Service Desk. Exhibitor or his representative must pack & label their exhibit material and turn in a bill-of-lading for each shipment at the Service Desk before leaving the show. Advanced Exposition Services will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick-up by the removal date of the Show, Advanced Exposition Services reserves the right to re-route exhibit material by an alternate carrier. As a result of re-routing or handling, no liability will be assumed by Advanced Exposition Services.
